JOINT APPLICATION

Pursuant to Section 214 of the Communications Act of 1934, as amended (the “Act”), 47 U.S.C. § 214, and Sections 63.01, 63.03, 63.04, 63.18 and 63.24 of the Commission’s rules, 47 C.F.R. §§ 63.01, 63.03, 63.04 and 63.24, Bealls Communication Group, LLC (“Bealls”) and Combined Public Communications, LLC (“Combined Public”) (collectively, the “Applicants”) hereby respectfully request Commission consent for the transfer of control of Bealls to Combined Public.

Effective May 31, 2017¹, one hundred percent (100%) of the membership interest of Bealls was sold to Combined Public (the “Transaction”) pursuant to a Membership Interest Sale and Assumption Agreement dated May 30, 2017 by and between Pezold Management Associates, Inc. (“Seller”) and Combined Public (the “Agreement”).

I. REQUEST FOR STREAMLINED TREATMENT

The Applicants respectfully request streamlined treatment of this Joint Application pursuant to Sections 63.03 and 63.12 of the Commission’s rules, 47 C.F.R. §§ 63.03 and 63.12, respectively. This Application is eligible for streamlined processing pursuant to Section 63.03(b)(2) of the Commission’s rules because (i) the Transaction resulted in Combined Public, the transferee, having a market share in the interstate, interexchange market of less than 10 percent; (ii) Combined Public will provide competitive telephone exchange services or exchange access services (if at all) exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the Transaction; and (iii) neither of the Applicants nor any of their affiliates are regulated as dominant with respect to any service. This Application also qualifies for streamlined treatment under Section 63.12 of the Commission’s rules because: (1) neither Bealls nor

¹ The Applicants are concurrently filing a request for Special Temporary Authority with the Wireline Competition Bureaus for authority to continue providing services to customers pending approval of this Joint Application.

Combined Public is affiliated with any foreign or dominant U.S. carrier; (2) as a result of the Transaction, neither party is affiliated with any foreign carrier as defined in the Commission's rules; and (3) none of the other scenarios outlined in Section 63.12(c) of the Commission's rules apply.

Unfortunately, the Applicants did not seek timely Commission approval of the Transaction. The oversight was inadvertent and unintentional. At the time of the Transaction, Applicants were advised by its telecom consultants to only send a notice to the Commission and in good faith sent a notice to the FCC as directed and Applicants were not aware of the obligation to request prior Commission approval and Applicants were not aware of the obligation to request prior Commission approval for the Transaction. As soon as this failure came to the Applicants' attention, the Applicants took steps to remedy the noncompliance to the extent possible by seeking Special Temporary Authority ("STA"), attached hereto as Exhibit A, for the continued provision of service to customers. The Applicants regret this oversight and have taken steps to ensure compliance with all applicable Commission requirements going forward.

The Applicants request expeditious approval of the assignments, which would serve the public interest by allowing customers to continue to receive competitive services from Combined Public without interruption. As a competitive provider of inmate telephone services, Combined Public is well qualified to provide the domestic services to the acquired customers.

II. DESCRIPTION OF THE APPLICANTS

A. Bealls Communication Group, LLC (FRN: 0008598401)

Bealls is a Georgia limited liability company with headquarters prior to the Transaction located at 1509 Hickory Avenue, Suite B, Panama City Beach, Florida 32405. Bealls has blanket authority to provide interstate telecommunication services. Bealls provides or is authorized to provide inmate telephone services to correctional facilities in Alabama, Florida and Georgia.

B. Combined Public Communications, LLC (FRN: 0004327656)

Combined Public is a Delaware limited liability company with headquarters located at 100 Aqua Drive, Cold Spring, Kentucky 41076. Combined Public has authority to provide interstate and international telecommunication services². Combined Public specializes in the provision of inmate communications services and has appropriate state certifications in Alabama, Colorado, Florida, Georgia, Indiana, Iowa, Kansas, Kentucky, Mississippi, Missouri, Nebraska, North Carolina, Ohio, South Carolina, Tennessee, and Wyoming.

III. DESCRIPTION OF THE TRANSACTION

The Transaction was an interest purchase agreement under which Combined Public acquired 100% of the ownership interests of Bealls which provides inmate telecommunications services specifically in the states of Alabama, Florida and Georgia. Customers continue to be serviced by Combined Public on substantially the same terms and conditions as previously provided by Bealls. The consummation of the Transaction did not result in an interruption, reduction, loss or impairment of services to any customer.

² File No. ITC -214-20101119-00450 granting authority to provide resale services granted December 10, 2010.

The Transaction did not result in a reduction or impairment of service to Bealls' customers. As more fully described below in the public interest statement, Combined Public continues to provide a high level of technical operations and customer service to Bealls' customers.

The Transaction raises no competitive issues. Combined Public continues to compete with other local providers of inmate telecommunication services.

No radio licenses were included in the Transaction. No foreign carrier affiliations resulted from this Transaction, and consumers will not be harmed. Bealls will cancel its domestic authority once it is determined it no longer needs its authorizations for operational or billing purposes.

IV. PUBLIC INTEREST STATEMENT

Approval of the Transaction will serve the public interest, convenience, and necessity as it will permit the continued, uninterrupted provision of high-quality service to customers. Approval will also promote competition in the inmate telecommunications marketplace. The effect of the Transaction and transfer of customers from Bealls to Combined Public has not resulted in an interruption, reduction, loss or impairment of services to any customer. Further, the Applicants are not aware of any harm to customers or to the market that has occurred as a result of the Transaction. The continued provision of service by Combined Public will provide customers the positive benefit of access to existing and new product offerings. Re: Bealls Communication Group, LLC and Combined Public Communications, LLC,
Request for Special Temporary Authorization

Dear Secretary Dortch,

Pursuant to 47 U.S.C. § 214, and Section 63.24 of the Commission's Rules, 47 C.F.R. § 63.24, Bealls Communication Group LLC ("Bealls") along with Combined Public Communications, LLC ("Combined Public") (collectively, the "Applicants"), hereby respectfully request Special Temporary Authority ("STA") so that Combined Public may continue to service newly acquired business pending Commission approval of their joint section 214 application, filed concurrently herewith, for assignment of domestic authorization and for transfer of control of Bealls to Combined Public (the "Joint Application").

Effective May 31, 2017, 100% of the membership interest of Bealls was transferred to Combined Public (the "Transaction") utilized to provide inmate telecommunications services to certain jails and detention centers in Alabama, Florida and Georgia pursuant to a Membership Interest Sale and Assumption Agreement dated May 30, 2017 by and between Pezold Management Associates, Inc. (the "Seller") and Combined Public (the "Agreement"). The Transaction resulted in a transfer of control of domestic operations and customers, *see* 47 C.F.R. §§ 63.01, 63.03, and 63.04.

Unfortunately, the Applicants did not seek timely Commission approval of the Transaction. The oversight was inadvertent and unintentional. At the time of the Transaction, Applicants were advised by its telecom consultants to only send a notice to the Commission and in good faith sent a notice to the FCC as directed and Applicants were not aware of the obligation to request prior Commission approval. As soon as this failure came to the Applicants' attention, the Applicants took steps to remedy the noncompliance and to seek authority, to the extent necessary, for the continued provision of service to customers. The Applicants regret this oversight and have taken steps to ensure compliance with all applicable Commission requirements going forward.

Grant of the STA will serve the public interest by permitting the continued, uninterrupted provision of service to customers while the Commission reviews the Joint Application. Grant of the STA also will promote competition in the inmate telephone services marketplace. Without discounting the regulatory obligation to obtain prior approval, the Applicants note that no harm to customers or to the market occurred as a result of Applicants' oversight.

The Applicants request temporary authority for sixty (60) days while the Joint Application is pending. The Applicants acknowledge that the grant of this STA will not prejudice any action the Commission may take on the Joint Application, and that once granted, the STA may be revoked on the Commission's own notice, without a hearing. The Applicants further acknowledge that grant of the STA will neither preclude nor dictate the scope of any enforcement action related to the Transaction.

This filing with the Wireline Competition Bureau and the applicable credit card payment in the amount of \$1,195.00, which satisfies the filing fee required under the Commission's rules, are being submitted electronically. All correspondence and inquiries in connection with this filing should be forwarded to the undersigned.

If you have any questions or if I may provide you with any additional information, please do not hesitate to contact me.
